CSE 477, Spring 2015

ABSTRACT

UPDATED—May 30, 2015. This sample paper describes the formatting requirements for SIGCHI conference proceedings, and offers recommendations on writing for the worldwide SIGCHI readership. Please review this document even if you have submitted to SIGCHI conferences before, as some format details have changed relative to previous years. Abstracts should be about 150 words and are required.

ACM Classification Keywords

J.3 Health

Author Keywords

Air quality; Wearable; Connected devices; Distributed sensors.
